## Statewide Search Fees

Although maintained by all 50 states in either a designated repository or by the court system itself, statewide criminal records are not always available to the public and do not always include all possible records. ESR has categorized state sources on completeness and accuracy and they fall into four categories: Courthouse Equivalent (EQ); Sufficient for Supplemental Use (SUP); Unreliable for most uses (UNR); and Not Supported (NS). The fees below are current as of date of publication.

State	State Fee	Quality
